

Power Transmission Distributors Association Manufacturer Membership Application

Thank you for your interest in manufacturer membership with the Power Transmission Distributors Association. To be considered for membership, please complete the application and submit via email to ptda@ptda.org or mail to PTDA, 230 W Monroe St., Ste 1410, Chicago, IL 60606. If you need assistance with this process, or have any questions, please contact us at ptda@ptda.org or +1.312.516.2100.

All information provided as part of this application will be held in strict confidence and will be used solely to determine membership qualifications.

Step 1. Verify your company meets the requirements for PTDA Manufacturer Membership.

A firm, corporation or partnership which manufactures a power transmission/motion control product line, which operates through one or more facilities utilizing its business name located in North America which has a policy in force of distribution through authorized distributors, and which sells through power transmission/motion control (PT/MC) distributors.

The business entity must:

- (a) Manufacture*, market, and support, under its own brand name through authorized distributors, at least one (1) power transmission/motion control (PT/MC) product line from the following categories:
adjustable/variable speed drives, bearings, belt and chain drives, clutches and brakes, motor/motion control products, conveyors & material handling components, shaft couplings & u-joints, hydraulics & pneumatics, gearing (open/enclosed), motors, industrial specialty chemicals, linear motion products or pumps.
- (b) Provide sufficient documentation to support its policy of using authorized distributors.
- (c) Market its products through a single sales force. Regardless of corporate structure, a business entity having more than one sales force for the marketing of its various product lines must have a separate and additional membership for each of its marketing divisions or participate only in the division for which it is paying dues.
- (d) Meet such other uniform criteria as established by the Board of Directors as noted below.
 1. ***Definition of manufacturing will include companies where the majority of their sales come from manufacturing, assembling or fabrication of their products. Specifically excluded are marketers, branders, packagers and slitters or importers.**
 2. A manufacturer, as defined in the by-laws of PTDA and above, must own controlling interest in the operation in North America for that manufacturer to qualify as a Manufacturer Member. An executive from the operation in North America must be the PTDA representative.
 3. The North American operations of applicant manufacturers must include factory sales, warehousing & product support capabilities.
 4. **Applicants must provide with their application:**
 - a. **Evidence of operation of North American facilities by the applicant manufacturer.**
 - b. **A copy of their distributor policy.**
 - c. **Documents sufficient to show their distributor pricing policy.**
 - d. **Description of factory sales, warehousing and product support capabilities in the North American operation.**
 - e. **A \$1,000 application fee**
 5. Applicants must provide a completed application on a form provided by PTDA.

Step 2. Tell us about your company.

Step 6. Provide us with one additional employee in your company to receive communications from PTDA and be included with your company’s listing.

A PTDA membership is a company membership—once approved, **all of your employees** can take advantage of the resources offered to members via the PTDA website. With your new member kit, you will receive information on how your employees can create their own username and password to access valuable members-only content on the PTDA website at www.ptda.org.

Please provide information for one employee who will serve as a secondary contact.

Step 7. Determine your membership dues investment.

Your membership investment is based on your company’s annual sales of power transmission/motion control (PT/MC) products. Please indicate below your sales volume category. All values are in U.S. dollars.

Note: No payment is due now; you will be invoiced for your membership investment upon approval of your application. Membership Dues Investments may be deductible as an ordinary business expense under U.S. federal tax law, but not as a charitable deduction. All sales volume information herein supplied will be kept completely confidential.
